## Plate Sharing This Summer

**JULY/AUGUST: Horizons at LMS and Libros Para Todos**

Libros Para Todos offers teacher training workshops to teachers in and around San Miguel to nurture students' literacy, provides literature to students, and arranges for school visits by the authors of books featured.

Horizons at LMS is part of a national program for under-served youth. It is a summer program, but they stay in touch with the children throughout the year and invite them to return every year. It creates community, exposes children to nature, provides food and swimming lessons, and fills gaps in their education.
